Small Company?

Is your business small but you still have big needs? Parker Steel is the place for you. If you are a:

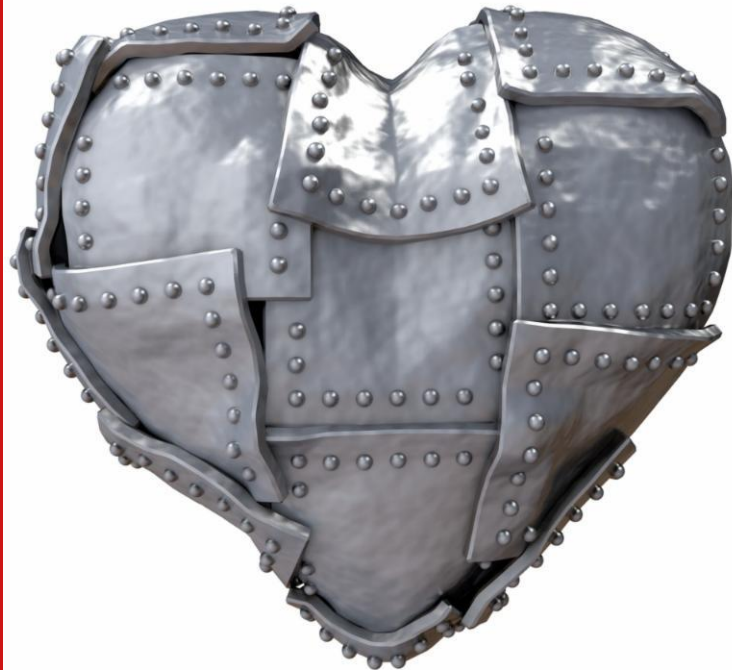

- **Job Shop**
- **Machining Business**
- **Repair Shop**
- **Fabrication Shop**
- **Engineering Service**
- **Tool & Die Shop**
- **Sheet Metal Business**
- **Metal Service Center**

With our low minimum purchase of of \$85, same day shipping, friendly and patient sales staff and expansive inventory, Parker Steel is perfectly suited for small business steel buys.

We aren't your usual Steel Distributor selling truckloads at a time. Our typical orders are for smaller companies, often in need of emergency parts or very specific fabricated pieces.

Now some of our orders are large, and believe us, we don't turn those orders down. We are proud to be able to sell to a diversified group of steel buyers from small

WE LOVE METRIC!

**Happy Valentine's
from Parker Steel Company**

- **S355MC and S700MC Thermo Mechanically Hot Rolled Plate**
- **7075 Aluminum Plate**
- **Nuclear Grade Class A Plate**

Call 800-333-4140 for a fast quote!

This winter has been a doozie (and it's not over yet). Due to the Level 3 Snow Emergencies we've had in Ohio, we have had to close our doors 2 times already this winter. In addition, our various freight carriers closed down those days and are still playing catch up.

We sincerely apologize to all of our customers for any inconvenience these winter storms are causing. We have taken the necessary measures to ensure that we can still be available by phone or email, should we be closed unexpectedly again. We and our carriers hope to be caught up and back to our normal timing shortly. Thank you for your patience in this unusual winter season.

Thank You

Stay warm and safe!
